**PRIME™**

## UNIVERSAL LANGUAGE

empowers communication

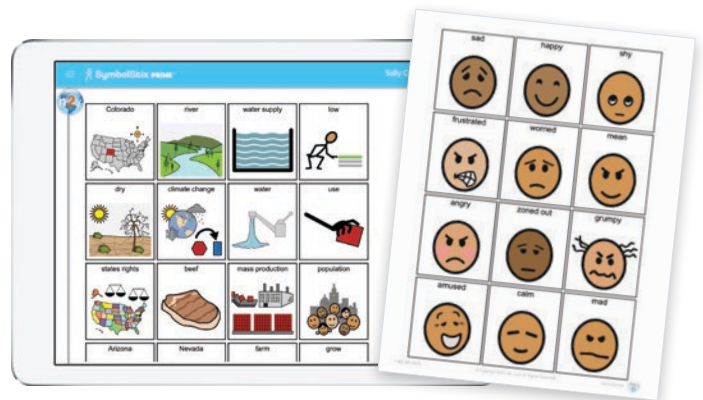

Meet every communication need anywhere there's an internet connection and a device to access it with SymbolStix PRIME! This complete visual language of over 90,000 research-based symbols gives educators powerful resources for creating unlimited activities and supports for students.

# SPARK COMMUNICATION

## and encourage essential conversations

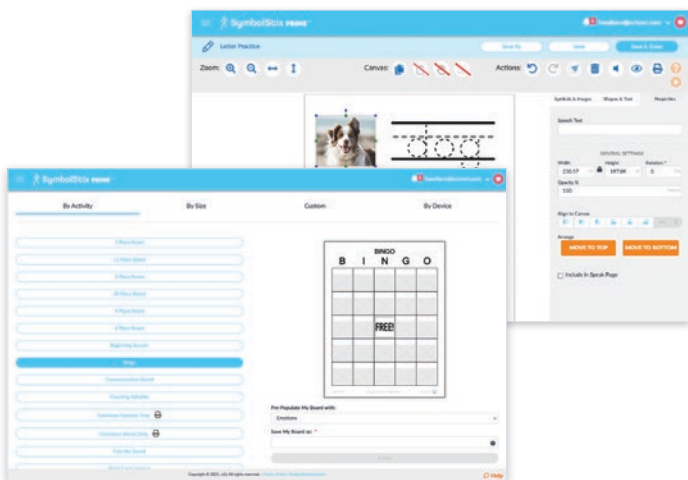

### ENSURE MEANINGFUL ACCESS TO LEARNING AND LANGUAGE

Help learners connect and interact with the world using resources specifically designed to convey meaning clearly and enable self-expression. Build academic knowledge and give students a way to reach their greatest potential in life with SymbolStix PRIME's powerful language tools.

### OPTIMIZE CLEAR, CONSISTENT COMMUNICATION

Meet academic, behavioral, and social needs while saving time with essential templates and tools that offer endless options for customization. Ensure consistency in all settings by sending creations to colleagues.

### REACH EVERY LEARNER

Differentiate communication using the world's largest visual language library of relevant, recognizable symbols that is constantly being updated. Celebrate diversity and inclusion with the ability to easily change skin tones and generate symbols and text in English, Spanish, and nine other languages.
