

PROFESSIONAL LEARNING

**EXPERT
SUPPORT** for
positive outcomes

What is n2y PROFESSIONAL LEARNING?

We offer high-quality, customizable professional learning opportunities that incorporate the latest research to drive faster solution adoption, enhance teacher practices, and improve student achievement.

100%
of Educational
Consultants have
teaching and/or admin
experience.

Always based on sound pedagogical principles, our learning experiences are also:

FLEXIBLE

Provides options to meet the needs of any school or district based on its unique size, budget, and goals. Choose from self-paced online, remote learning, in-person/on-site, and hybrid approaches.

CLASSROOM FOCUSED

Centers on improving teaching and learning in the classroom, addressing instructional strategies, classroom management techniques, assessment practices, and more.

COLLABORATIVE

Creates a space for teachers to share and learn ideas, strategies, and best practices, fostering a lasting culture of learning.

PERSONALIZED

Meets specific needs of teachers and learners, and aligns with national, state, and local standards and requirements.

What FORMATS ARE AVAILABLE?

Effective professional learning is not one-size-fits-all. Whatever the needs of your district and its learners, we can help you get started, dive deeper, and achieve mastery. Start with our free, self-serve resources and webinars, and when you're ready, progress to our premium, hands-on, and highly personalized support.

OVER 93%
of participants would attend future sessions.

BUNDLE OPTIONS AVAILABLE!

Contact your sales rep to learn about bundling different format options to meet your school or district needs.

What n2y Professional Learning IS RIGHT FOR ME?

Our Educational Consultants, Sales Representatives, and Customer Success Advocates will work with your district to align goals and meet individual needs. Our recommended Learning Pathway includes services for every phase of your district's journey:

PHASE 1: BUILDING A FOUNDATION

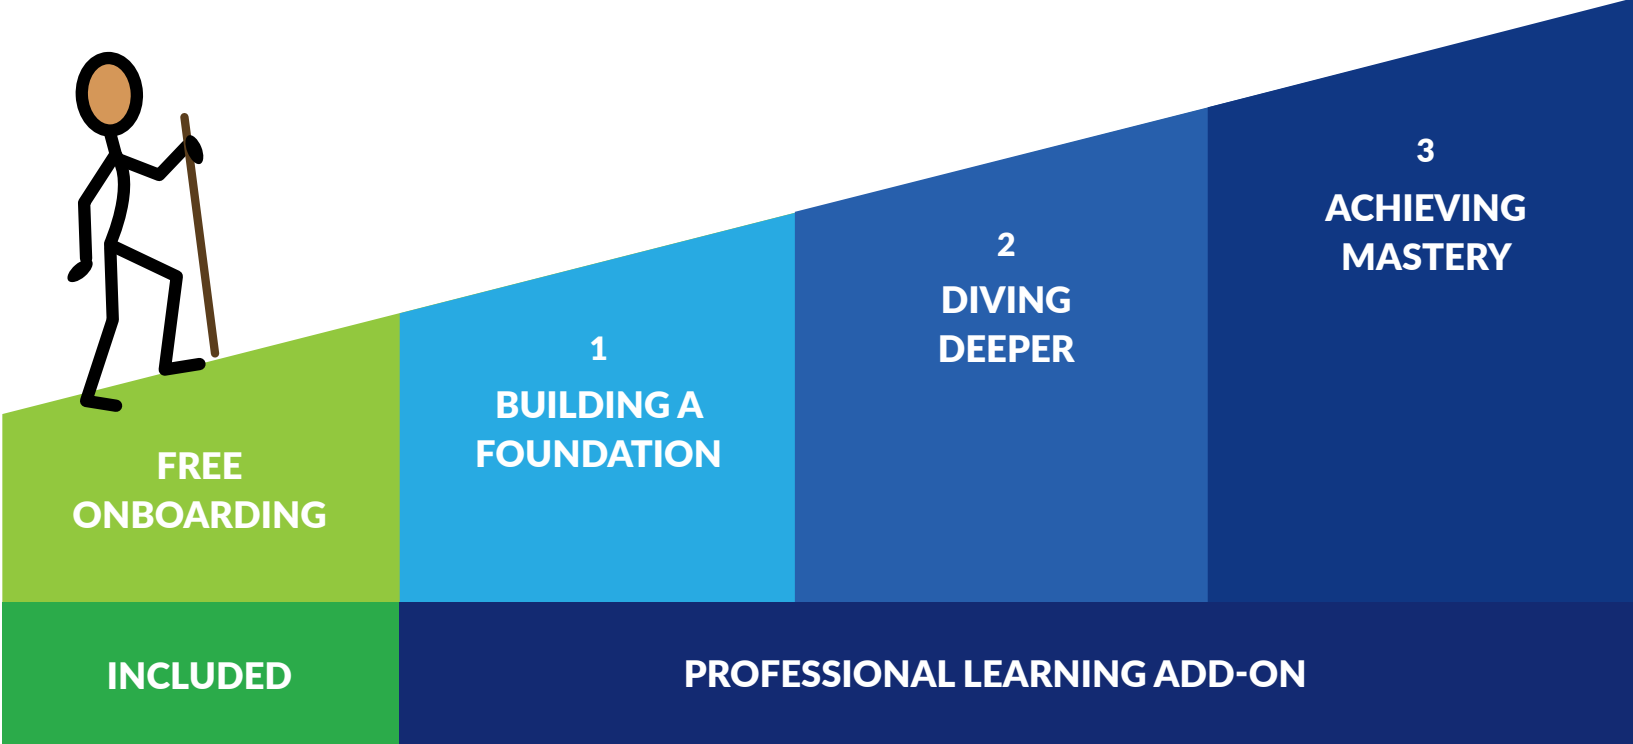

After you complete your free onboarding, work with our Professional Learning team to master the essentials and implement n2y solutions effectively.

PHASE 2: DIVING DEEPER

Now that you have the basics down, investigate how n2y solutions support specific district goals (math readiness, Science of Reading alignment, data analysis, etc.).

PHASE 3: ACHIEVING MASTERY

Become an expert or certified trainer in n2y solutions to support long-term success and promote career growth.

FREE ONBOARDING

Start with our robust collection of self-serve, on-demand, and built-in onboarding resources included with your subscription.

ON-DEMAND SMART START SOLUTION TOUR

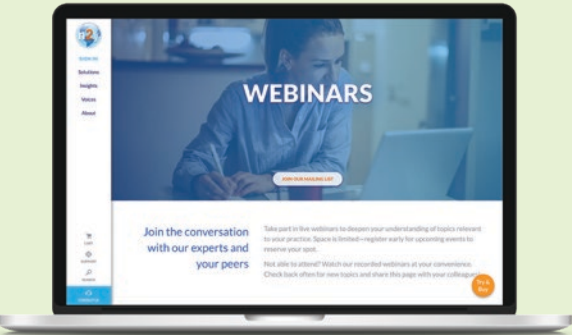

Jump-start implementation by completing an on-demand training to begin classroom setup. Learn how n2y solutions work together to improve student outcomes.

BUILT-IN SOLUTION SUPPORT

Quick and helpful tours are built right into solutions as you navigate. Find free webinars, implementation support, and chat with our team directly in the Help widget accessible within each solution.

FREE WEBINARS

n2y provides a variety of live and on-demand webinars, covering a range of topics and formats from thought leadership with industry experts to product demonstrations with our Solutions Specialists.

PHASE 1 Building a Foundation

LEARN THE ESSENTIALS

Once you and your team have completed onboarding to add students and set up your classroom, you're ready to partner with the n2y Professional Learning team to establish strong solution implementation and adoption with Essentials. Choose from three formats:

- Self-paced online
- Live remote (6 hours over 2–3 days)
- On-site (one 6-hour day)

N2Y TOTAL SOLUTION ESSENTIALS

Discover how to address the needs of the whole student and how your district's solutions work together to support you throughout the day.

UNIQUE LEARNING SYSTEM ESSENTIALS*

Confidently implement instructional best practices within Unique Learning System's ready-to-use core curriculum built for unique learners.

POLARIS + UNIQUE LEARNING SYSTEM ESSENTIALS*

Implement instructional best practices within Unique Learning System, then develop high-impact, high-quality, compliant IEPs with Polaris.

INSPIRE ESSENTIALS*

Address skill gaps within the general education standards using systemic intervention and gradual release of responsibility with Inspire.

POSITIVITY ESSENTIALS**

Address behavior issues, implement data-driven behavior interventions, and promote independence and student wellness.

EQUALS MATH ESSENTIALS**

Promote foundational math success and problem-solving skills using a multisensory approach to meet individual language, motor, vision, and cognition needs.

*Available separately or as part of a bundle.

**Unique Learning System may be added to the on-site Essentials for Inspire, Positivity, and Equals Math, if desired.

PHASE 1, CONTINUED

Focus on more targeted foundational topics in just 1–2 hours (all are remote).

START THE YEAR STRONG WITH ULS TOOLS (2 HOURS REQUIRED)

Streamline the first few weeks of the school year to set yourself up for success. Get yourself organized and prepare student materials for assignments, assessments, and progress monitoring.

SET UP A SMOOTH TRANSITION WITH N2Y (2 HOURS REQUIRED)

Discover how n2y's Total Solution supports end-of-year activities and preparation for fall and ESY. Review assessment data and analyze progress to inform IEPs.

INTRODUCTION TO SYMBOLSTIX PRIME

Break language and communication barriers to support learning and assistive technology. Enhance instructional practices with communication boards and symbol support.

INTRODUCTION TO NEWS2YOU AND L³ SKILLS

Engage students and support core instruction with fun activities. Increase connections to the world through current events while building language and literacy skills.

PHASE 2 Diving Deeper

TARGETED SUPPORT

You've completed applicable Smart Starts and Essentials, feel confident in your solution onboarding and implementation, and now you're looking for more! Get targeted support in focused areas of instruction and receive a certificate of attendance for these one-to-two-hour remote offerings. Teachers will learn to integrate best practices into daily instructional routines, further supporting district goals and initiatives while furthering the adoption of n2y products.

IMPLEMENTING EFFECTIVE INSTRUCTION (2 HOURS REQUIRED)

Confidently implement explicit, differentiated instruction and explore research-based strategies using n2y solutions.

USING DATA FOR PLANNING AND MONITORING (2 HOURS REQUIRED)

Simplify data collection and assessment to establish baseline data and plan for meaningful progress monitoring within Unique Learning System.

DATA INTERPRETATION AND ANALYTICS (2 HOURS REQUIRED)

Write strong present levels of performance using Unique Learning System tools and review student data to make instructional changes and inform IEP development.

LITERACY STRATEGIES (2 HOURS REQUIRED)

Explore Science-of-Reading-aligned best practices when teaching literacy to unique learners.

MAKING MEANINGFUL MATH CONNECTIONS (2 HOURS REQUIRED)

Explore research- and evidence-based best practices when teaching mathematics to unique learners.

INSTRUCTIONAL PLANNING

Get organized then strengthen and customize your lesson planning with our premade, ready-to-use, scripted lesson plans.

DIFFERENTIATED INSTRUCTION

Discover supports available for seasoned and new teachers alike to successfully differentiate instruction to meet individual learner needs.

BUILDING TRANSITION PLANS

Analyze transition readiness and identify student needs with a data-informed approach.

PHASE 3

Achieving Mastery

BECOME AN EXPERT WITH ESSENTIALS PRO

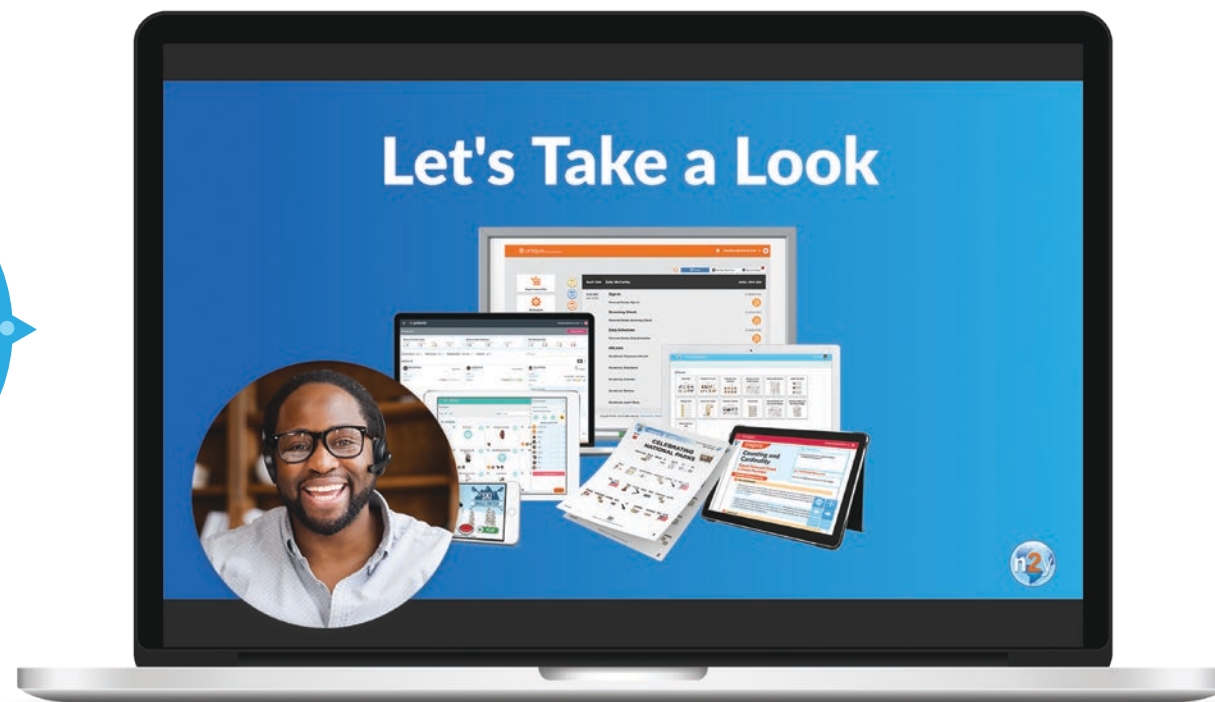

You've completed Essentials training and want to go deeper using real-world, practical contexts in which to apply your knowledge of n2y solutions. With Essentials PRO, develop and model a professional-level understanding of how to implement best practices with n2y solutions using classroom-based scenarios.

ESSENTIALS PRO FORMATS

- Live remote (6 hours over 2–3 days)
- On-site (one 6-hour day)

Select the Essentials PRO course that best matches your district goals, scheduling needs, and solution access.

- Total Solution Essentials PRO
- Unique Learning System Essentials PRO
- Polaris and Unique Learning System Essentials PRO

BECOME AN ESSENTIALS CERTIFIED TRAINER FOR YOUR DISTRICT

You've completed the Essentials training and want to support long-term district success and strengthen teacher efficacy by learning how to train colleagues to use n2y solutions with fidelity. You can build capacity to train your district at large or simply become the go-to trainer for your school with Train the Trainer.

Receive the highest level of n2y certification, Essentials Trainer Certified, through active participation in our Train the Trainer offerings. Formats are:

- Live remote (6 hours over 2–3 days)
- On-site (one 6-hour day)

Each offering includes remote consultative follow-ups for additional, sustained support. Select the course that best matches your district goals, scheduling needs, and solution access.

- Total Solution: Train the Trainer
- Unique Learning System: Train the Trainer
- Polaris and Unique Learning System: Train the Trainer

“Our training was absolutely awesome! My staff members were engaged throughout the day. I truly felt that people did NOT have questions when they left. I was very impressed and am very grateful.”
