

# PROFESSIONAL LEARNING

**EXPERT  
SUPPORT** for  
positive outcomes

## IMPROVED EFFECTIVENESS through flexible learning experiences

Teachers put professional development high on their list of wants, but finding the time for it and choosing the right training are challenging. For n2y solutions, let us make it easy for you! Our Professional Learning offers flexible delivery options and builds knowledge that can be applied instantly, ensuring usage with fidelity. This is one of the most powerful investments you can make in your school and district, boosting teacher satisfaction, instructional effectiveness, and student success!

### IMPROVE STUDENT OUTCOMES

Lead students to new levels of growth using proven strategies integrated into professional learning experiences based on each district's needs.

### BUILD CONFIDENCE AND SKILLS

Refine teachers' instructional skills and add new research- and evidence-based strategies to their toolkits with guidance from expert trainers.

### SUPPORT DISTRICT AND SCHOOL PRIORITIES

Demonstrate student progress, drive positive outcomes, and facilitate data-driven decision-making to strengthen compliance.

# PERSONALIZE professional learning

An individualized journey is foundational to every n2y solution and every professional learning experience. Choose from options to support any person, team, or situation in your school/district, or partner with a Professional Learning Specialist to create a one-of-a-kind learning experience.

## ESSENTIALS: ELEVATE DAILY TEACHING PRACTICES

Our learning experiences called **Essentials** dive into your solution's capabilities and features to ensure a successful implementation. They'll also help you streamline differentiated content delivery, assessment, skill tracking, progress monitoring, and development of IEPs and transition plans. Choose from live, self-paced, or in-person training.

### n2y TOTAL SOLUTION

Discover how to simplify planning, teaching, progress monitoring, behavior management, IEP development, and more—all in ways that your students will love.

### UNIQUE LEARNING SYSTEM

Gain the knowledge to confidently implement Unique Learning System in your classroom, using data to support IEP development, inform instruction, create transition plans, and implement differentiated instruction.

### POLARIS AND UNIQUE LEARNING SYSTEM

Explore a comprehensive and streamlined approach to using Unique Learning System and Polaris, from instructional planning and delivery to progress monitoring and IEP development.

### POSITIVITY

Learn the basics of behavior, explore research-based strategies, and review Positivity's automatic data tracking to empower students' emotional control, executive functioning, and self-regulation.

### POLARIS

Learn to take a whole-student approach to creating personalized, data-driven IEPs that yield the most positive student outcomes, and see how Polaris supports the compliance process by helping teachers develop high-quality, high-impact IEPs.

### EQUALS MATH

Explore our multisensory, research-based solution to help students develop problem-solving skills and conceptual understanding by connecting concrete examples to abstract concepts.

## ESSENTIALS PRO: MASTER EVERY TIME-SAVING DETAIL

Looking to deepen your knowledge of n2y's solutions? Our 6-hour offering, **Essentials Pro**, is the next level of professional learning for you! By exploring different usage scenarios, participants gain a deep understanding of our solutions and strategies for making the most of them. All participants who achieve a passing grade on the exam will be awarded a badge and n2y Certified Educator status.

### n2y TOTAL SOLUTION

Take a deeper dive into all n2y solutions, including determining academic and behavioral progress and learning how to effectively integrate all solutions for an optimal experience. Available as an interactive webinar or in-person series.

### UNIQUE LEARNING SYSTEM

After a brief review of Essentials Unique Learning System, you'll learn more about daily instructional opportunities and explore additional resources to deliver individualized learning. Available as a self-paced course, interactive webinar series, or in-person series.

## TRAIN THE TRAINER: HELP OTHERS MAKE A DIFFERENCE TOO

Our **Train the Trainer** series isn't just about maximizing teachers' talent, energy, and content knowledge—it's about supporting long-term success and promoting career growth. Completion of Essentials Unique Learning System, Polaris and Unique Learning System, or Total Solution is a prerequisite to enrolling. You'll be awarded a badge and n2y Certified District Professional Learning Specialist status once you pass the exam.

An n2y Certified District Professional Learning Specialist may only provide training in the district where they are employed and may not charge for services in any district.

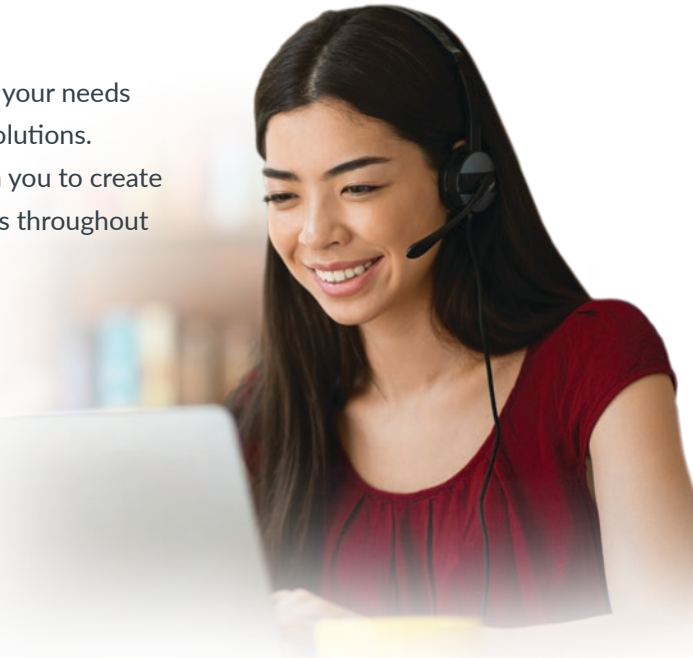

## MAINTAIN FIDELITY throughout your learning journey

### COUNT ON EXPERT ADVICE FOR SUCCESS

Get a personalized, collaborative approach for identifying your needs and establishing district-led goals for implementing n2y solutions. During training Customer Success Advocates partner with you to create a customized implementation plan that will ensure success throughout the school year.

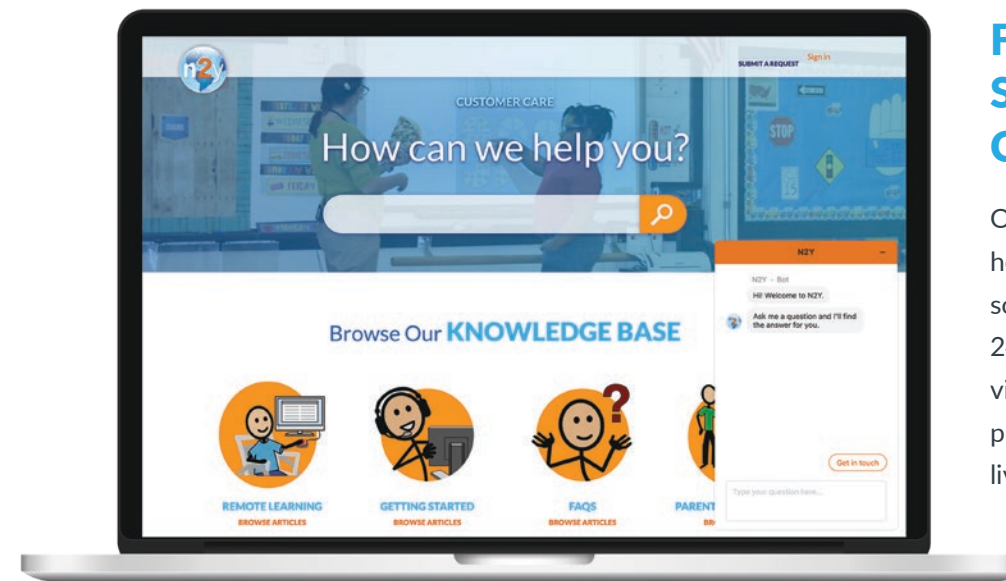

### JUMP-START IMPLEMENTATION FOR GREATER IMPACT

Completely free and led by experienced teachers, **Smart Start** includes live, 90-minute collaborative work sessions for learning how to plan and teach using your solutions. Plus, you get informative, self-paced video walkthroughs focusing on key implementation milestones for each solution.

### FIND TARGETED SUPPORT WITH JUST A CLICK OR TWO

Our built-in **Help widget** is packed with helpful answers and accessible from any solution. Search Knowledge Base articles 24/7, and explore best practices through video models and other resources. If you prefer to speak with an n2y representative, live chat is online during business hours.

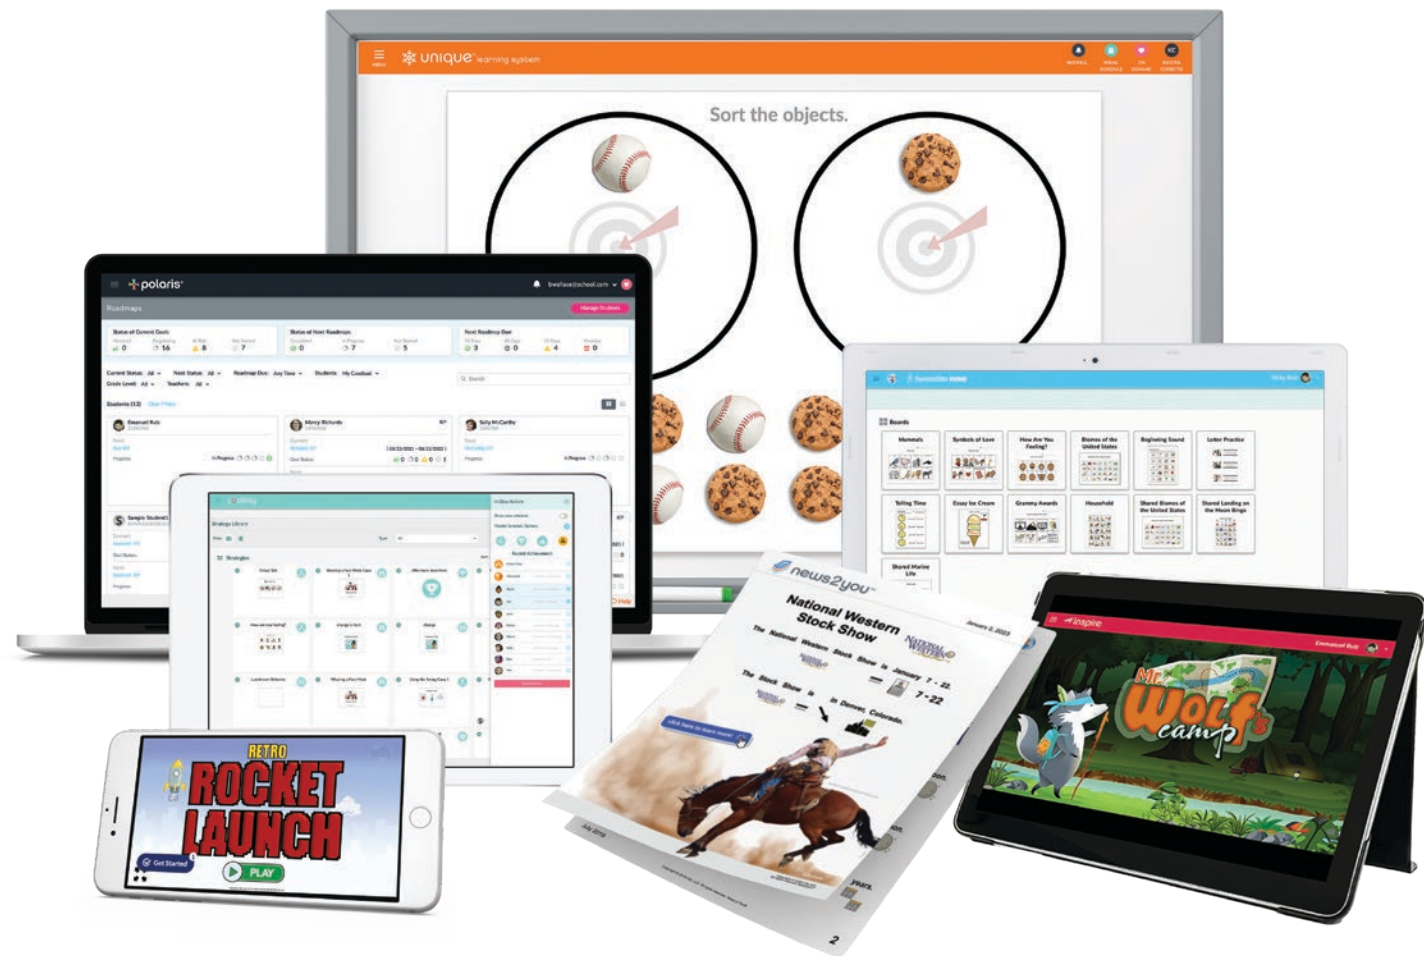

# MAXIMIZE student outcomes

One study showed that well-designed professional development sparked student achievement gains by as many as 21 percentile points! When you strengthen your knowledge and skills through our professional learning experiences, you'll have more powerful ways to support the whole student.

## DISCOVER BEST PRACTICES

Professional learning at n2y is 100% aligned to ESSA's definition of professional learning and to Learning Forward's Standards for Professional Learning. These standards have been proven to promote high-quality leading, teaching, and learning for educators and students.

# CUSTOMIZED LEARNING FOR TARGETED SUPPORT AND ENHANCED OUTCOMES

Join a Professional Learning Specialist for a live, interactive webinar to build strategies for supporting your students at all levels. Guided practice and Q&A are built into each session. Mix and match delivery topics to tailor the professional learning experience to district or school needs. Fully customized webinars are available upon request and in consultation with the n2y Professional Learning team.

## CHOOSE FROM THESE TOPICS

- 1. Essentials for Total Solution\*, Unique Learning System, Polaris and Unique Learning System, Equals Math, Positivity, or Polaris (6 hours each)** 1-hr

“Our training...was absolutely awesome!  
My staff members were engaged  
throughout the day. I truly felt that people  
did NOT have questions when they left...  
I was very impressed and am very grateful.
