## Total Solution Bundle

Support educators with time-saving, standards-aligned, differentiated instruction along with data collection, assessment, and reporting in Unique Learning System; behavior management and tracking in Positivity; relevant symbol resources in SymbolStix PRIME; weekly current events in News2you; skill-building games in L<sup>3</sup> Skills; and online self-paced training and a live virtual working session with a Q&A in complimentary Professional Learning.

Contact us for special bundle pricing.

*See individual solution descriptions for licensing details.*

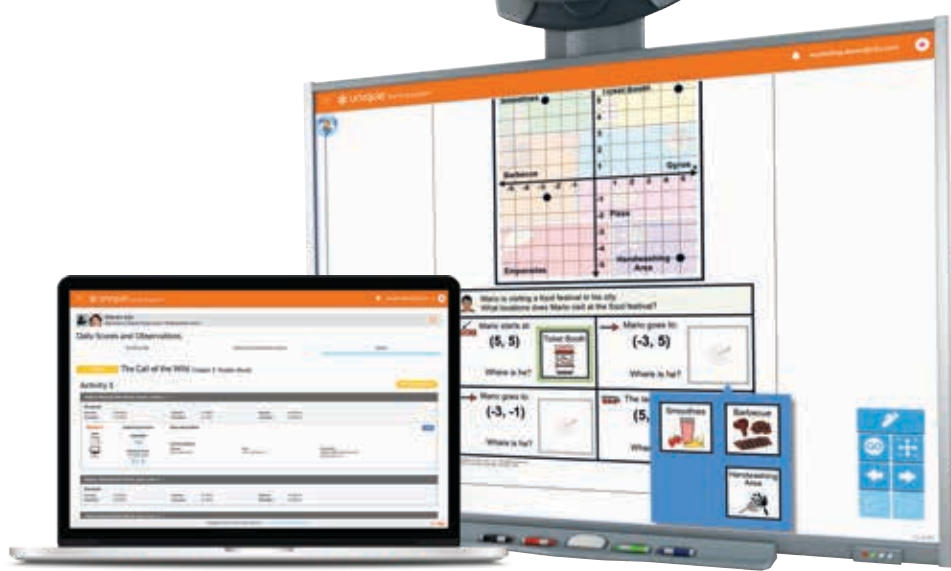

## WHERE TEAMS ALIGN AND STUDENTS SHINE

Illuminate every student's unique path! Now IEP teams can collaborate like never before to create personalized, data-driven roadmaps through time-saving task automation, timely prompts, step-by-step support, and access to current student data. All team members, including parents and caregivers, receive detailed guidance within every stage of IEP development and implementation—planning, writing, executing, reporting, and supporting the best student outcomes.

**PRICE**     **\$499<sup>99</sup>**

*Each license includes a single student login and access for the student's service provider. Sold in packs of 10 licenses.*

## REALIZE THE POTENTIAL IN EVERY STUDENT

Significantly ease daily demands on teachers with comprehensive, consistent, and proven academic instruction in ELA/reading, math, science, social studies, and transition. Evidence- and research-based teaching and learning in the nation's leading pre-K through transition solution means educators have the support to be successful and every unique learner can attain measurable growth in academic and life skills—and achieve their state standards.

**PRICE** \$699<sup>99</sup>

*Each license includes one service provider access to one grade band, with student logins for a maximum of 15 students.*

**NEW**

## TARGET SKILLS. ACCELERATE GROWTH.

Guide at-risk and struggling students from teacher-led instruction to independent learning as they build the skills they need for success in school and life with Inspire, n2y's intervention curriculum. Drive meaningful academic outcomes with built-in research- and evidence-based methodologies, including differentiation. Plus, demonstrate RTI success and IEP compliance with comprehensive data and reporting.

**INTRODUCTORY PRICE** \$249<sup>99</sup>

*Each license includes a single student login and access for the student's service provider. Sold in packs of 10 licenses. This introductory price is discounted from list price of \$399.99.*

## Classics

Give struggling readers the gift of classic literature with adapted-text and symbol-supported options, enabling learners to access the same novels and plays as their peers. With differentiated supports for 12 titles, you'll provide access to the middle and high school literature standards as your students build pride and confidence. (Available with Unique Learning Sytem, Inspire, or stand-alone)

**PRICE** \$234<sup>99</sup>

*Each license includes one service provider access, with student logins for a maximum of 15 students.*

**positivity<sup>®</sup>**  
**EMPOWERING ACHIEVEMENT  
 THROUGH SELF-REGULATION**

Enhance classroom management and social-emotional learning (SEL) to lay the foundation for successful outcomes. Research confirms that for students to access learning, self-regulation is vital. Positivity integrates easily into daily routines across learning environments with online delivery and tracking of proactive behavior strategies that support the behavior intervention process from start to finish, including robust reporting.

**PRICE** \$474<sup>99</sup>

*Each license includes one service provider access, with student logins for a maximum of 15 students.*

## REAL NEWS. REAL CONVERSATIONS.

Deliver world events and breaking news to your students in a differentiated, age-respectful, standards-aligned weekly newspaper that enables struggling readers to access informational text and take part in meaningful discourse—while strengthening the school-home connection. Dozens of relevant, engaging activities, including Today's Weather, Class News, Joey's Locker, puzzles, recipes, and jokes, help connect students to the world around them.

**PRICE** \$239<sup>99</sup>

*Each license includes one service provider access, with student logins for a maximum of 15 students.*

## UNIVERSAL LANGUAGE EMPOWERS COMMUNICATION

Create limitless interactive activities, communication and behavioral supports, classroom and environment engineering, and so much more with the tools driven by the world's most comprehensive and diverse library of over 90,000 symbols. Teachers and service providers can also easily collaborate by sending their amazing creations to each other, ensuring a solid school-home connection and many opportunities for meaningful communication.

**PRICE** \$154<sup>99</sup>

*Each license includes one service provider access, with student logins for a maximum of 15 students.*

## PLAY WITH A PURPOSE

Provide a fun, real-world way for students to practice and reinforce math, literacy, life, and transition skills. Ideal for independent or small-group practice, over 170 educational games offer educators and service providers the flexibility to deliver skills-practice throughout the day and across learning environments. Play Reports provide insights into each student's progress toward mastery of targeted skills.

**PRICE**     \$159<sup>99</sup>

*Each license includes one service provider access, with student logins for a maximum of 15 students.*

## VISUAL VOCABULARY ON THE GO

Make the most of n2y's dynamic symbols with durable visual vocabulary cards conveniently packaged in sets of 50 core words. Ideal for supporting daily communication needs in the classroom, therapeutic, or home setting, each word is paired on a 3" x 3" nontoxic, non-creasing plastic square with an engaging, recognizable symbol from SymbolStix PRIME.

	<b>\$299<sup>00</sup></b>	<b>\$499<sup>00</sup></b>
	<i>per webinar (40 participants max)</i>	<i>per webinar (40 participants max)</i>

*Please note that the webinar series does not provide a certification, and a maximum of two topics per day can be scheduled.*

“Using everything n2y has to offer is such a great way to give students age-appropriate content! I enjoy every subject and every aspect included in their solutions. For teaching life skills, reading comprehension, and even higher level math concepts—this is the number-one most important tool I use in my classroom.
