SymbolStix PRIME

UNIVERSAL LANGUAGE empowers

communication

SPARK COMMUNICATION and encourage essential conversations

From early hieroglyphics to the app icons on our phones, symbols have served throughout history as our most dependable communication tools. n2y has harnessed the universality of the symbol to create SymbolStix PRIME—a complete visual language of over 90,000 research-based symbols. With its powerful resources for creating unlimited activities and supports for students, you can meet every communication need anywhere there's an internet connection and a device to access it!

ENSURE MEANINGFUL ACCESS TO LEARNING AND LANGUAGE

Help learners connect and interact with the world using resources specifically designed to convey meaning clearly and empower self-expression.

OPTIMIZE CLEAR, CONSISTENT COMMUNICATION

Meet academic, behavioral, and social needs and save time with essential templates and tools that offer endless options for customization.

REACH EVERY LEARNER

Differentiate communication using the world's largest visual language library of relevant, recognizable symbols.

Ensure meaningful access to **LEARNING AND LANGUAGE**

SymbolStix PRIME provides a universal, consistent, and engaging way for educators to connect with their students. But these powerful language tools are not just for building academic knowledge. They're also for helping unique learners connect with and participate in the world-and reach their greatest potential.

ENCOURAGE ESSENTIAL CONVERSATIONS

Facilitate important conversations about feelings, meet basic needs, and answer questions with SymbolStix PRIME's indispensable communication tools. Student View ensures students can quickly access the interactive boards that are just right for them wherever they learn throughout the day, like with all n2y solutions.

BUILD FOUNDATIONAL **AND CONCEPTUAL UNDERSTANDING**

Help students take a faster path to comprehension with the simple, uncluttered style of the SymbolStix symbols. Provide a powerful way to help students communicate about abstract concepts-such as emotions-while also strengthening literacy skills, clarifying academic concepts, and fostering creative expression.

appropriate from emergent learners to older adults.

Optimize CLEAR, CONSISTENT **COMMUNICATION**

Communication is the heart of teaching and learning, and the options available within SymbolStix PRIME for creating interactive and printed activities and supports are limitless! What's more, teachers can send their creations to colleagues for use in any setting.

Reach **EVERY LEARNER**

Differentiate communication and spark language and learning for every student with the most comprehensive visual language in the world! Over 90,000 symbols provide the visual context that helps learners of all ages and abilities to decode meaning.

STAY CURRENT WITH THIS UNPARALLELED SET OF VISUAL SUPPORT SYMBOLS

Encourage conversations about world news, cultural events, and trends through a constantly updated library of symbols. Meet learners at their level with age-appropriate communications using symbols that span a full range of complexity. And if for some reason you can't find precisely, exactly, 100% what you're looking for, suggest a new symbol!

EMBRACE YOUR MULTICULTURAL CLASSROOMS

Celebrate diversity and inclusion with the ability to easily change skin tones and generate symbols and text in English, Spanish, and nine other languages. Find familiar, comforting resources for expression within the most contemporary, representative, and dynamic symbol library in use today, which includes constantly updated symbols depicting localized cultural practices.

BRIDGE LANGUAGE BARRIERS IN EDUCATIONAL SETTINGS AND BEYOND

Rely on SymbolStix PRIME's proven success in empowering English language learners and people with brain injuries or aphasia. And support individuals with hearing impairments completely through the included American Sign Language symbols.

MAXIMIZE ENGAGEMENT with n2y's Total Solution

Enhancing consistency and ease of use, SymbolStix PRIME is integrated with n2y's special education solution, providing a universal language for teaching and learning across multiple components of the Total Solution. The dynamic symbols in SymbolStix PRIME encourage consistent communication throughout News2you,[™] Unique Learning System[®] L³ Skills[®] and Positivity[®]

Count on our **AWARD-WINNING INSTRUCTIONAL RESOURCES**

- Unlimited access to over 90,000 symbols • for one service provider and 15 students, with Student View
- Symbols for English, Spanish, and nine other languages
- The ability to quickly develop, save, search, reuse, and send activities and communication tools
